

C# Developer/s

Are you a talented and enthusiastic Software Developer looking to work on greenfield development and the latest tech?

If so, our C# Developer roles could be the right move for you.

We have a number of opportunities for Junior and Mid-Senior level C# developers to join our Scrum Development teams in Leyland.

The role

These C# Developer roles will see you working on a new greenfield project portfolio. You'll be using the latest Microsoft technologies and actively involved in solutions design, design workshops and code review, as well as participating in Agile Scrum stand ups, reviews and retrospectives.

What experience is needed?

We're looking for passionate Software Developers with commercial C# coding experience. Talented individuals with a genuine interest and enthusiasm for quality solutions and development. We're keen to encourage you to seek out and apply new technologies, and be confident in expressing new ideas driving innovations. Plus, as team work and collaboration is vital to the success of our projects, you'll have very strong interpersonal and communication skills.

You'll have a degree in Computer Science, or a related subject, and/or demonstrable commercial software development experience, along with good knowledge and experience of:

- C#, .NET Framework, UWP/WPF, XAML, Visual Studio.
- Object Oriented Design and Design Patterns
- Web Services
- Databases
- N-tier architectures
- Agile Scrum practices and development methods

If you do have any experience of mobile development, such as Xamarin, and/or an understanding of UX design principles this would be really useful, but it's not essential.

What else?

You'll be joining our friendly and focused team working in modern, open plan offices with breakout spaces and a great eating/relaxing area. We've built a culture where everyone pulls together, are really passionate about the solutions we deliver and the impact these have on healthcare services all across the UK.

We're offering a competitive salary with a superb range of benefits - including matched pension, health cash plan and a well-being allowance - plus personal development and opportunities for your career progression longer term.

Our teams enjoy a variety of work-related events as well as regular social activities in and out of the office.

Permanent, full time, 35 hours/week Mon-Fri, office based

Salary ranging up to £55k DOE plus excellent benefits package

If you'd be interested in joining our team in Leyland, please [apply now](#) with an up to date CV and contact details, thank you.

(Please note: sponsorship is not being offered, so you do require full right to work for the UK before applying)
