

We have an opportunity for two experienced Mid-Senior level **Full Stack Developers** (C# .Net) to join one of our core product development teams in Leyland

### **About this role**

These Full Stack C# Developer roles will be based in our Leyland head office and will see you working on a new greenfield product portfolio. You'll be using the latest Microsoft technologies and actively involved in solutions design, design workshops and code review, as well as participating in Agile Scrum stand ups, reviews and retrospectives.

### **What experience is needed?**

We are looking for passionate Software Developers with significant commercial C# coding experience. Talented individuals with a genuine interest and enthusiasm for quality solutions and development. We're keen to encourage you to seek out and apply new technologies, confident in expressing new ideas driving innovations. Plus, as team work and collaboration is vital to the success of the project, you'll possess very strong interpersonal and communication skills.

You'll have a degree in Computer Science, or a related subject, and/or demonstrable commercial software development experience, along with excellent knowledge and experience of:

- C#, .NET Framework, Visual Studio.
- Front end development using JavaScript and/or Angular/React/node.js
- Object Oriented Design and Design Patterns
- Web Services
- Databases
- N-tier architectures
- Agile Scrum practices and development methods; e.g. Continuous Integration and Refactoring

If you do have any experience of mobile development, such as Xamarin, and/or an understanding of UX design principles, this would be really beneficial.

### **What do we offer?**

You'll be joining our friendly and focused team working in modern, open plan offices with breakout spaces and a great eating/relaxing area.

Our business promotes a culture where everyone pulls together, we're really passionate about the solutions we deliver and the impact they have on healthcare services all across the UK.

We're offering a competitive salary with a superb range of employee benefits - including matched pension, health cash plan and a well-being allowance - plus personal development and opportunities for your career progression longer term.

Our team enjoy a variety of work-related events as well as regular social activities in and out of the office.

Full time 35hrs/week Mon-Fri, office based  
£35-55k DOE, plus our excellent benefits package

If this is the type of role you've been looking for, please [apply now](#) with an up to date CV, thank you.

(Please note: sponsorship is not being offered, so you do require full right to work for the UK before applying)
