

We're looking for a **Management Accountant** to join our Business Support and Finance team In Leyland. If you're an experienced hands-on accounting professional, with prior experience in managing a small finance team this job opportunity could be a great fit for you.

About the role

This Management Accountant position has the responsibility of leading and managing the Finance Team (of 5); preparing monthly management accounts for 3 entities and helping with the budgeting and forecasting for these entities. You'll ensure deadlines are met, be responsible for billing the revenue for the Company and that this meets IRFS standards, liaise regularly across departments and companies, helping to design and implement new systems and reporting.

The person we're looking for

You'll have proven commercial experience in Management Accounting, budgeting and forecasting in a busy multi-entity business along with:

- Team management experience, with strong team working and collaboration skills
- Advanced Excel experience and competency in IT systems such as MS Office
- Excellent business awareness, able to see the bigger picture
- Highly organised with great attention to detail
- Excellent interpersonal and communication skills
- A hands-on, proactive, get things done attitude

Experience of SAP Business One would be a great benefit in this role, as would accounting qualifications e.g. PQ ACCA, CIMA etc.

What we offer you

The role itself is varied and challenging, playing a key part in the finance function.

A competitive basic salary, plus a great range of company benefits, including matched pension, health cash plan and well-being allowance.

You'll be working in a professional and focused environment, as part of our friendly and supportive team who take real pride in what they do and the positive impact our services and products have on a wide range of healthcare providers across the UK.

Our team enjoy a variety of work-related events as well as regular social activities in and out of the office.

Permanent, full time, 35 hours/week Mon-Fri, field/home based.
£32-42k DOE, plus our excellent benefits package

If this is just the role you've been looking for, please [apply now](#) with an up to date CV, thank you.

(Please note: visa/sponsorship is not being offered, so you do require full right to work for the UK before applying)
